A Note to Parents and Leaders...

**I tell you the truth, anyone who doesn't receive the Kingdom of God like a child will never enter it.**

**Luke 18:17**

This song collection has been conceived with these words in mind...that Jesus invites children to follow him, too, and that we can benefit from embracing their natural enthusiasm, curiosity, and trust as we disciple them. Each song explores lessons Jesus taught to his first disciples, both in his words and in his actions. Children can learn these lessons through hearing and singing these songs and by talking about them with you.

I would also encourage you to incorporate any or all of the ideas in the Discipleship Guide that is part of the Follow Musical Collection from Leading Kids to Jesus. These ideas include additional scriptures to read, creative activities to do, and ways to keep kids focused on following Jesus.

Jesus wanted lots of people to follow him,  
but he chose 12 men to be his closest friends.

He spent a lot of time with these men,  
teaching them how to be his disciples,  
so that they could teach other people  
how to be his disciples.

And then those people would teach more people...  
and those people would teach more people...  
and those people would teach more people...

Until...

**At the name of Jesus every knee should bow,  
in heaven and on earth  
and under the earth,  
and every tongue declare  
that Jesus Christ is Lord,  
to the glory of God the Father.  
Philippians 2:10-11**

# O, How I Love Jesus

Frederick Whitfield

O, how I love Je - sus, O, how I love

Je - sus, O, how I love Je - sus, be -

cause he first loved me. There is a name I

love to hear, I love to sing its worth. It

sounds like mu - sic in my ear, the swee - test name on

earth. O, how I love Je - sus,

O, how I love Je - sus, O, how I love

Je - sus, be - cause he first loved me.
